Processed Fishery Products Business Meeting in Selected East Japan Regions

The face-to-face business meeting will be held in Miyagi prefecture in November 2023. For the face-to-face business meeting, we will first conduct online business meetings. Before and after the face-to-face business meeting, we plan to have opportunities to actually visit markets and fishing grounds in the Sanriku and Joban regions. As a sub-event, in Hong Kong, Taiwan, and Singapore, we plan to hold a session for overseas buyers to taste products from Japanese Seafood processing companies.

* We arrange the participants in the face-to-face business meeting based on the result of the questionnaire after the online business meeting.

Registration

Application period

Until June 16(Fri.)

Outline of participation from local businesses.

Participants : Fish processing businesses with fish processing facilities in Aomori, Iwate, Miyagi, Fukushima, Ibaraki, and Chiba prefectures

Product category : Processed fishery products (products that went through final processing at a fish processing plant in one of the above six prefectures)
